2. BASIS OF CONTRACT

2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
2.2 The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions.
2.3 A Contract shall not be formed until the Order is accepted in writing by the Supplier (Sales Order Acknowledgment) on which date the Contract will come into existence (Commencement Date). The Contract will only relate to those Goods set out in the Sales Order Acknowledgment.
2.4 The Customer is responsible for ensuring that the terms of the Order and any applicable Specification whether the same is prepared by the Customer or the Supplier are complete and accurate.
2.5 The Supplier reserves the right to refuse any Order without providing a reason.
2.6 The Contract constitutes the entire understanding between the parties in relation to its subject matter and supersedes all (if any) subsisting agreements, arrangements, understandings, negotiation, decisions or correspondence (written or oral, express or implied) relating to the same.
2.7 The Customer acknowledges that it has not relied on any warranty, statement, promise or representation made or given by or on behalf of the Supplier which is not specifically set out in the Contract. The Customer agrees and acknowledges that its only remedy in respect of those representations, statements, assurances or warranties set out in the Contract will be for breach of contract, in accordance with the terms of the Contract, provided always that nothing in this clause 2.7 shall exclude or limit the liability of the Supplier for any fraudulent misrepresentation or warranty fraudulently given and upon which the Customer can prove it has placed reliance.

2.10 In the event of a conflict, the following order of precedence shall apply to:

(a) the Specification (if any);
(b) the Sales Order Acknowledgment; and
(c) the Conditions.

3. CUSTOMER'S AUTHORITY

3.1 The Customer expressly warrants that the person entering into the Contract on behalf of the Customer is authorised to accept the Contract not only for themselves and the Customer, but also as agents for and on behalf of all other persons who are, or may become, interested in the Goods, whether in whole or in part.

4. GOODS AND SPECIFICATION

4.1 Any Goods set out in the Supplier's literature (whether electronic or hard copy) may change at any time.
4.2 To the extent that the Goods are manufactured in accordance with a Specification supplied by the Customer, the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of the Specification. This clause 4.2 shall survive termination of the Contract.
4.3 The Supplier reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements.
4.4 The Customer shall ensure that all Goods are installed in accordance with the manufacturer's installation instructions. Any installation advice provided by or on behalf of the Supplier is done so free of charge and on an informal basis only without any warranties or guarantees. The Supplier shall not be liable to the Customer for any damage, costs or loss incurred (so far as permitted by law), as a result of the Customer following any installation advice provided by or on behalf of the Supplier.

5. CUSTOMER'S OBLIGATIONS

5.1 The Customer shall:

(a) ensure that the terms of the Order and any applicable Specification are complete and accurate;
(b) co-operate with the Supplier in all matters relating to the supply of the Goods;
(c) provide the Supplier, its employees, agents, consultants and sub-contractors with access to the Customer's premises, office accommodation and other facilities as reasonably required by the Supplier for the purposes of the Contract;
(d) provide the Supplier with such information and materials as the Supplier may reasonably require to supply the Goods and ensure that such information is accurate in all material respects.

5.2 If the Supplier's performance of any of its obligations in respect of the supply of the Goods is prevented or delayed by any act or omission by the Customer or failure by the Customer to perform any relevant obligation (Customer Default):

(a) the Supplier shall without limiting its other rights or remedies have the right to suspend delivery of the Goods until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays the Supplier's performance of any of its obligations;
(b) the Supplier shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the Supplier's failure or delay to perform any of its obligations as set out in this clause 5.2; and
(c) the Customer shall reimburse the Supplier on written demand for any costs or losses sustained or incurred by the Supplier arising directly or indirectly from the Customer Default.

6. DELIVERY

6.1 The Supplier shall ensure that:

(a) each delivery of the Goods is accompanied by a dispatch note or invoice (as appropriate) which shows the invoice number and the date the invoice was raised, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Goods are being delivered by installments, the outstanding balance of Goods remaining to be delivered; and
(b) if the Supplier requires the Customer to return any packaging materials to the Supplier, that fact is clearly stated on the dispatch note. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably request. Returns of packaging materials shall be at the Supplier's expense.

6.2 Unless stated otherwise in the Sales Order Acknowledgment, the Customer shall collect the Goods from the Supplier's premises at Unit 3, Cranberry Drive, Denton, M34 3UL (the Delivery Address).

Notwithstanding the foregoing, the Supplier shall notify the Customer when the Goods are ready for delivery. The Customer agrees and acknowledges that any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
6.4 Any special delivery requirements or difficulties in delivering (e.g. narrow doorways, stairs, restricted access) should be made known to the Supplier at the time of placing the Order and may be subject to additional costs. The Supplier cannot accept responsibility for any difficulties in delivery as a consequence of information or lack of information supplied by the Customer.
6.5 Delivery of the Goods shall be completed:

(a) where the Goods are to be collected from the Delivery Address, the 3rd Business Day from the date of the Supplier's notification that the Goods are ready for collection (whether or not the Customer actually collects the Goods by such date); or

6.6 Notwithstanding clause 6.3, if the Supplier fails to deliver the Goods its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
6.7 If the Customer fails to accept delivery of the Goods in accordance with Clause 6.5, then except where such failure or delay is caused by a Force Majeure Event or the Supplier's failure to comply with its obligations under the Contract in respect of the Goods, the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance). Such charge to be equal to 15% of the value of the order.
6.8 If 14 Business Days after the day on which the Supplier notified the Customer that the Goods were ready for delivery, the Customer has not accepted or taken delivery of them, the Supplier may resell or otherwise dispose of part or all of the Goods and recover its reasonable storage and selling costs in respect of the Goods and:

(a) Where the Customer has paid for the Goods in full, account to the Customer for any excess sums recovered over the price of the Goods and such storage and selling costs; or
(b) Where there are insufficient funds to cover the storage or selling costs or where the Customer has not yet paid for the Goods in full, charge the Customer for any shortfall below the price of the Goods to cover such costs.

6.9 The Customer shall not be entitled to reject the Goods if the Supplier delivers up to and including 10% less than the quantity of Goods ordered, but a pro rata adjustment shall be made to the [Order invoice] on receipt of notice from the Customer that the wrong quantity of Goods was delivered.
6.10 The Supplier may deliver the Goods by installments, which shall be invoiced and paid for separately. References in these Conditions to delivery of the Goods shall, where applicable, be read as to include reference to delivery of the Goods by installments. Each installment shall constitute a separate Contract and any delay in delivery or defect in an installment shall not entitle the Customer to cancel any other installment.

(a) if the Goods are damaged (Damaged Goods) the Customer must send a photograph to the Supplier within five Business Days of the Delivery Date of the Damaged Goods and the Supplier will consider whether to send a courier to collect the Damaged Goods; and
(b) if the Supplier is required to collect the Damaged Goods, the Customer will be notified within 5 Business Days of the date the Damaged Goods are to be collected; and

If the Damaged Goods are in a condition where they cannot be sold, the Damaged Goods will be returned to the Customer and the Customer will pay a handling charge to the Supplier; and
(e) the Damaged Goods should be returned in their original packaging; and
(f) the Customer (if asked to do so by the Supplier) returns the Damaged Goods to the Supplier's place of business at the Customer's cost, the Supplier shall, at its option, repair or replace the Damaged Goods, or refund the price of the Damaged Goods in full. The Supplier will not be responsible for any associated costs in relation to the replacement of the Damaged Goods. If the Damaged Goods have been made to the Customer's Specification and are found to have been damaged by the Customer or are Damaged Goods due to an event set out in clause 7.2, the Damaged Goods will be returned to the Customer and the Customer will pay a handling charge to the Supplier.

7.7 In the Event that the Supplier is required by the Customer to attend and inspect the Damaged Goods after delivery to the Customer and damage is found to the Goods for which the Supplier is responsible, no charge for the site visit will be levied. If there is damage to the Goods, or part thereof, for which the Customer is responsible or due to an event set out in clause 7.2, the Supplier may raise an invoice addressed to the Customer for £283 for each such site visit.

20. WAIVER

20.1 A waiver of any right or remedy under the Contract is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. No failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

21. THIRD PARTY RIGHTS
